

# SMX-5 STEREO MICROPHONE INSTRUCTION MANUAL

Thank you for purchasing the Azden SMX-5 Electret Condenser Stereo Microphone. Before using the product, please read this operating manual thoroughly. Keep this manual along with the warranty card for future reference.

## WARNING

- Do not use other batteries than the one specified in this manual.
- When installing battery, make sure battery polarity is correct as marked inside the battery compartment.
- Remove the battery if the product is not used for a long period of time.

## BATTERY

- Remove the battery compartment lid by sliding it away from the case.
- Insert one fresh alkaline "AAA" battery into the compartment. Make sure the battery polarity is correct as marked inside the battery compartment.

## POWER SWITCH

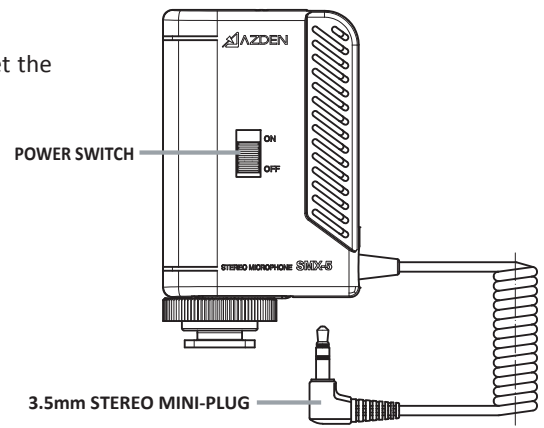

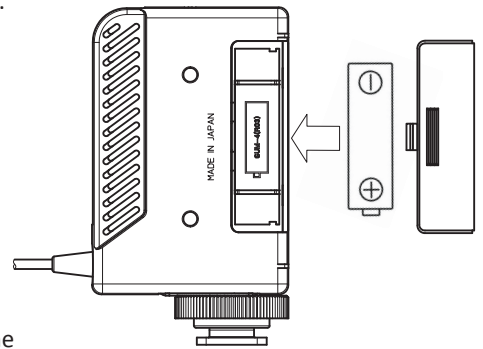

The SMX-5 has a 2-position power switch.

**OFF:** Switch the microphone OFF when not in use to conserve battery life. Set the switch to the OFF position when using plug-in power from camera.

**ON:** Switch the microphone ON for operation by battery power.

## 3.5mm STEREO OUTPUT MINI-PLUG

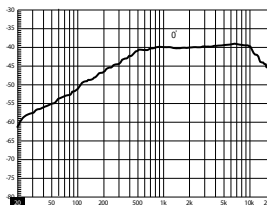

Insert the plug into the camera's "STEREO EXT. MIC" jack.
