NOTE:

Please make sure to insert the 'D-tap Connector' correctly into the battery plate to insure the proper polarity ('D' shape of the D-tap cable to the 'D' shape of the battery adapter [See diagram]). Failure to do so may result in damage to the battery plate and/or to the product or products connected to the battery plate. The ikan Corporation takes no responsibility for damage to any product occurring as a result of the incorrect insertion of the D-Tap Connector to the battery plate.
