

Engage your audience and save your voice

The Belt Blaster Personal PA System

- Portable, battery-powered mini PA system you wear like a belt, leaves you hands-free and comfortable.
- Keep your audience's attention and be heard clearly as you move freely around the room or to multiple locations— inside and outside and all over your venue.
- 5 watt portable PA delivers clear sound to audiences of up to 75 people.

44" adjustable belt with
12" belt extender

Fingertip Control Center:

- On/off and volume control
- LED Battery indicator
- Screw-on microphone jack
