

Digital Audio Travel Partner

— Our most complete, all-in-one PA system —

- **REACH UP TO 7,500 PEOPLE—indoors or out!** Powerful 250 watt amplifier delivers quality sound in areas up to 25,000 square feet.
- **A PROVEN ROAD WARRIOR** Specially tooled and molded plastic enclosure for exceptional durability. Travels and sets up easily with tripod mount plus retractable handle and wheels.
- **BLUETOOTH[®] WIRELESS TECHNOLOGY** Stream audio wirelessly from your smart phone, tablet, or any other Bluetooth[®] enabled device or play CDs and MP3s with integrated electronics.
- **YOU'RE IN CONTROL** Audio options include the reverb echo effect, mute and talk-over functions as well as a voice priority feature which dulls down the music when you speak into the mic.
- **FUTURE READY** Five expansion banks add the peace of mind of being able to keep up with the advancement of new technologies.

Now with
Bluetooth[®]

Remote Control Unique feature lets you adjust master and individual volume controls, mixer, reverb/echo, mute and talk-over functions, from up to 50 ft.
