Tabletop Lectern

Dual Presenter Option

Only from
AmpliVox

Enjoy Dual Presenter Option with SW3240:
One presenter speaks from wired OR wireless mic, while
2nd wireless mic is available as an option

- Extend your voice – with style – to Audiences up to 1,950, rooms up to 19,450 square feet with this elegant and portable lectern
- The Sensitive AmpliVox Electret Condenser Gooseneck Hot Mic picks up your voice from up to 20" away
- AmpliVox speaker technology delivers clear, high-performance, lifelike sound to your audience with built-in Jensen design speakers
- Built-in **Bluetooth** module (SW3240, ST3240) allows you to wirelessly stream sound from any Bluetooth-capable device
- XLR cable allows you to connect to your in-house sound system (ST3240)
- Use anywhere, indoors or outdoors! This highly portable tabletop lectern is made from a durable hard plastic shell with a sculpted profile and radius corners that holds up under tough use, indoors and out – its weatherproof and waterproof
- Flat surface tabletop allows your laptop or projector to sit flat and secure, while the soft cushion wrist rest/paper stop provides comfort as well as function.
- Digital clock timer and LED light and 4 outlet power strip (SW3240, ST3240) are included for maximum functionality
