Visionary Multimedia Lectern

Visionary

Multimedia Lectern

The Ultimate lectern with a built-in LCD screen for dynamic presentations and editing capabilities.

- The Visionary Lectern is a complete small room solution for any training room, meeting room, classroom, boardroom, or hotel.

- The Data Port, mounted on the top reading surface, allows true plug and play laptop interface connection to the 17" LCD built into the face of the lectern.

- This integrated system is perfect for PowerPoint presentations, photo displays, training videos or display of hotel or company logos.

- The Data Port connections include a VGA, Stereo Audio, and 110 V Power Outlet.

- The Data Port is designed with a one touch flip-up door that brings all connections above the reading table for easy access.

- Designed with a contemporary look for a variety of venues

- Built-In LCD Screen with stereo speakers built in.

- 2 shelves behind lectern for extra storage

- 4 casters (2 locking) for easy transportation

- Ships fully assembled

- 6 year warranty
