PT-18RKT

Compact Rechargeable Label Printer

VERSATILE PORTABLE LABELING SYSTEM

The PT-18RKT blends performance and portability to help save you time printing labels and solving complicated labeling problems. Use it as a compact standalone labeling system or as a portable label printer - either way, it works the way you do. Simply place the PT-18RKT in its cradle to keep the battery fully charged - then grab and go. It's a complete labeling system that also includes two full-length laminated TZe tapes, rechargeable battery and a carry case.
