Powerful functionality, combined with handheld portability.

Labeling to help improve productivity and organization is a best practice that's relevant for workplaces of every kind - not just the traditional office. That's why Brother™ designed the P-touch® PT-H500LI with robust functionality, in an easy-to-use, take-it-anywhere size. Its bright display, rechargeable battery, QWERTY-style keyboard, and Windows®/Mac® compatibility make it great for store owners, warehouse managers, building contractors, and other professionals who need the flexibility of printing labels away from their desk or connected to a computer.
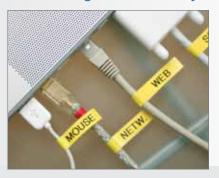

Create durable labels for a variety of applications…
Wherever your office may be.

Label to *Organize & Identify...*

Label to *Look Professional...*

Label to *Protect Your Assets...*

Labels are for illustrative purposes. Actual output (such as font and margins) may vary.

Professional labeling... in the palm of your hand.

Flexible Power Source

Powered by an included rechargeable, Li-ion battery, or optional alkaline batteries, this labeler can go virtually anywhere. Great for professionals whose work requires them to be away from a desk for much, if not all, of their day.

Expanded Design Options◆

The included P-touch Editor Label Design Software enables printing professional-looking, customized labels from your Windows or Mac computer. Simply connect using the included USB cable to create an impressive array of labels with fonts or graphics on your computer.

Easy and accurate typing

Unlike many handheld labelers, the PT-H500LI offers a generously-sized, QWERTY-style keyboard that makes typing easy and virtually effortless. In addition, the intuitive, one-touch formatting keys support quick label creation.

Print large, easy-to-read labels for a variety of uses

Use durable, laminated TZe tapes up to 24mm wide (approximately 1") to make labels with up to seven lines of text and graphics. Print up to 48 point text for maximum readability. The extensive library of fonts, symbols, frames, and barcodes help to create virtually any label imagined.

Durable Tapes

Leave a lasting impression with labels that look great and stay affixed for years. Our durable, TZe series of tapes produce labels whereby the text is printed under and protected by a clear laminate layer. The result is sharp, professional quality labels that remain affixed and clearly readable for years.

Key Features at a Glance:

- Powered by included rechargeable Li-ion battery pack

- Preview work on the large Brother Vivid Bright display

- Create extra-wide, durable labels for indoor or outdoor use

- Connect to a PC/Mac to print customized labels using the included label design software◆

- Print multiple lines of text and graphics

- Intuitive one-touch keys for quick, easy label formatting

- Super-fast print speeds and auto cutting support efficient multi-label printing

- Hundreds of built-in symbols, fonts, frames, and barcodes

- 2-year limited warranty and free phone support for the life of the machine

◆ Windows software/print driver included on CD-ROM, Mac software/print driver available as a free download.

Hardware Features:

Display	Graphical with Backlight
Display Size	16 characters x 3 lines
Maximum Tape Width	24mm
Built-in Memory	Up to 50 labels
Keyboard	QWERTY
Tape Cutter	Automatic
Maximum Print Speed	20mm/sec. (using rechargeable battery) 30mm/sec. (using AC power adapter)
Maximum Print Resolution	180 dpi
Maximum Print Height	18.0mm
Power Source	Rechargeable Li-ion battery pack (included) AC power adapter (included) 6 x AA Batteries (optional)
Auto Power Off	Yes
Interface	USB

Carton Contents:

PT-H500 Label Printer
Black on White Standard Laminated TZe Starter Tape 0.94" (24mm) x 13.1' (4m)
Rechargeable Li-ion battery pack
AC power adapter
USB Cable
P-touch Editor Label Design Software/Drivers for Windows (CD-ROM) P-touch Editor Label Design Software/Drivers for Mac (Download)
Wrist Strap
Quick Set-up Guide

Accessories*:

BA-E001	Rechargeable Li-ion battery pack (included)
AD-E001	AC power adapter (included)

*See next page for a detailed list of compatible tapes.**

* Additional purchase required.
Labels are for illustrative purposes. Actual output (such as font and margins) may vary.

Software Features:

Number of Fonts	14
Types of Fonts	Helsinki, Brussels, Belgium, Florida, Los Angeles, San Diego, US, Calgary, Atlanta, Adams, Brunei, Sofia, Germany, LetterGothic
Number of Font Styles	10
Number of Font Sizes	8

Number of Font Widths	4
Pre-formatted Label Templates	25 (Label Collection)
Barcode Printing	9 kinds(CODE39, ITF 2/5, EAN13, EAN8, UPC-A, UPC-E, CODABAR, GS1-128(UCC/ EAN128), CODE128)
Built-in Symbols	617
Built-in Frames	99
Auto Numbering	1-99, A-Z, a-z
Repeat Printing	Up to 99 copies
Vertical Printing	Yes
Mirror Printing	Yes
Number of Languages Supported	20
Operating Systems Compatibility	Windows®8, Windows®7, Windows Vista® Mac® v10.6.x, 10.7.x, 10.8.x

About Our Tapes:

Tapes for most any application*

Choose from a wide variety of TZe tapes - use Standard Laminated Tapes for general workplace labeling, or use one of many specialty tapes for identifying wires and cables, or adding tamper-evident security. There's even non-laminated fabric iron-on tape for labeling uniforms, linens, and more. The split back tapes allow for hassle free application.

Better performing labels by design

The PT-H500LI uses tapes from our best-selling TZe laminated tape family. Text and images printed on TZe tape are protected by a thin, clear film to withstand water, grease, fading, abrasion, heat, cold, and demanding outdoor environments.

Wire and Cable Laminated Tapes:

This tape offers labeling solutions for textured surfaces, rounded edges, electrical wiring and audio/visual cables.

TZe-FX231	12mm (0.47") x 8m (26.2 ft) Black on White Flexible ID tape
TZe-FX631	12mm (0.47") x 8m (26.2 ft) Black on Yellow Flexible ID tape
TZe-FX241	18mm (0.7") x 8m (26.2 ft) Black on White Flexible ID tape
TZe-FX251	24mm (0.94") x 8m (26.2 ft) Black on White Flexible ID tape
TZe-FX651	24mm (0.94") x 8m (26.2 ft) Black on Yellow Flexible ID tape

Tamper-Evident Laminated Tape:

This tape features a special tell-tale adhesive. If the label is removed, a checkerboard pattern will be left behind. Great for asset management.

TZe-SE4	18mm (0.7") x 8m (26.2 ft) Black on White Security tape

Acid-Free Photo Safe Tapes^:

Acid-free adhesive laminated tapes are safe for photo-labeling, scrapbooking and other photo-sensitive materials.

TZe-AF131	12mm (0.47") x 8m (26.2 ft) Black on Clear Acid Free Tape
TZe-AF231	12mm (0.47") x 8m (26.2 ft) Black on White Acid Free Tape

Super Narrow Tape:

This non-laminated tape is perfect for labeling CD case spines and other narrow spaces.

TZe-N201	3.5mm (0.13") x 8m (26.2 ft) Black on White Non-Laminated tape
