

# COREbar™ 4

## FEATURES

- Complete wash lighting solution designed for mobile entertainers
- Produce a full spectrum of light with robust color mixing using Chip-on-Board (COB) LEDs; COB LEDs produce unsurpassed color mixing from a single-point light source
- Achieve total room or stage coverage with 4 individually adjustable heads
- Easily set up and tear down in minutes using the included tripod, footswitch, and carry bags
- Create the ultimate light show by mounting up to 4 additional fixtures to the top of the COREbar™ 4
- Provide electricity to additional lights by using built-in power outlets
- Maximize setup possibilities and configurations with 2 included L-brackets
- Multiple control options with the included footswitch or standalone and DMX capabilities
- Create large, coordinated light shows with other 4BAR™ products
- Achieve flicker-free video operation with high-frequency LED dimming
