

COMPUTER WORKSTATIONS

Adjustable Furniture for Dedicated Computer or Multi-Media Equipment Users

- Perfect for users who must combine computer or multi-media equipment use along with traditional desk tasks.
- Adjustable height offers ergonomic comfort for individual users.
- PCT models offer a choice of glides or 4" locking wheels for mobility, removable cantilevered monitor platform and a modesty panel.
- Constructed of premium 1" metal frame and 5/8" laminated surfaces with rounded, high impact resistant corners.
- A variety of top sizes are available from 31-1/2" to 55" wide.
- Gray laminate work surfaces and matching powder coated frame blends with any decor.

Model	Dimensions H x W x D
