

The RM-CDU is a complete Professional Media Player all in one rack space. With multi-format playing ability, the RM-CDU is perfect for the House of Worship, Studio, Live Concert, and DJ. The ease of control with the large illuminated buttons, makes it visible even in a dark room or when in a rack. Also, with its all metal 1U rack mount chassis, it is rugged and built for the road.

With a slot load CD player, the RM-CDU also features front panel USB drive, SD/SDHC card player, as well as built in AM/FM radio player with Radio Data System (RDS). The USB and SD/SDHC will play media from MP3 or WMA formats. Additionally, there is an AUX 1/8" jack on the front panel for easy connection of MP3 players, cell phones, or other media devices.

This unit comes complete with a remote control. With the remote, you can control play, pause, stop, random, repeat, track select, and program tracks among other settings.
