

NP-Style Holders

Dual NP Battery Holders

The dual NP battery holders are designed to house two IDX NP batteries and are available in various mounts and power output configurations. All NP battery holders are compatible with IDX's NP-L7S and can power virtually any broadcast, TV production, or cinema cameras and accessories.

NH-201

Double capacity and runtime with two batteries and hot swap for continuous runtime. NH-201 mounts directly to a camera or device.

Dimensions:
