

## TA-CA214 / TA-CA238

Versatile Camera Support Accessory

TA-CA2(14/38) is designed to be used with handheld or DSLR type cameras. It enables the ability to adapt 14.4V ENDURA V-Mount batteries and accessories to simultaneously supply DC power to handheld cameras and camera accessories. In addition, the TA-CA2(14/38) can be adapted to larger camera systems for flexible accessory mounting.

### TA-CA214 / TA-CA238 Product Features:

- Various handheld and still cameras can be mounted.
- Ball joint clamp and cheese plate design enables fully customizable configurations.
- Can attach to mono/tripod adaptors.
- Compatible with all P-V series V-Mount plates
- When used with optional ENDURA battery system and accessories, long operation times are achieved.

### Usage Examples:

Tripod Mount

Handheld - Compact

Handheld - Chest Support

Handheld - Under Support

### Technical Specification

#### Material:

6061 Aluminum, black anodized.

#### Dimensions:

15.66 (L) x 3.24 (W) x 0.39 (H) inches  
Fully extended.

#### Weight:

1.25 approx.

#### Included Accessories:

1/4-20" (TA-CA214) or 3/8-16" (TA-CA238)  
camera mounting screws.

**Please Note:** TA-CA2(14/38) will not mount underneath all handheld cameras. The camera's 1/4-20" or 3/8-16" screw hole must be less than 4.5" or 3.7", respectively, from the rear of the camera.
