WG-129

12U 900mm Depth Rack-mount Server Cabinet

■ INTRODUCTION

The WG Cabinet Series is optimized for office, small/medium business (SMB), research and academic institutions or professional studio environments (movie animation, music production, etc.). The 6U,7U,9U,15U space supports any combination of standard rack mount servers or equipment in a compact form factor offering ease of maintenance and flexibility for different IT applications.

WG Cabinet's desk-side design features security, mobility and options for sound dampening to reduce overall system noise levels. It's sleek and compact Element ID design makes it suitable for customers looking for IT solutions in a dynamic office environment.
WG Series Cabinet is built with high-quality aluminum/steel structures. With vented doors and cooling fans, WG series provides excellent air circulation for servers and other devices. Cabinets are
