

# Assistive Listening Notification Signage Kit

**Product Overview:**

An important part of the American's with Disabilities Act compliance policy is signage to identify the availability of auditory assistance equipment. Listen provides a simple kit to meet these needs. Additional sample advertisements (for printed programs, etc.) as well as ADA guidelines are available on our web site at [www.listentech.com](http://www.listentech.com).

**Highlights:**

- Informs people that assistive listening devices are available
- Allows for the user to place a hard placard or static cling for the window

**Includes:**

- One (1) Hard Plaque
- One (1) Static Cling Window Sticker
