

TOR Cable Stripper & Slitter

The worlds best cable jacket stripper & slitter!

Two tools in one!

10017C

Tor is an adjustable heavy-duty cable stripping and slitting tool for all insulation types used in today's cables. Many of Tor's unique features include interchangeable cable clamps, giving it a cable capacity up to 1 1/2" / 40mm. The durable Tor has been tested to over 100,000 cycles!

- Easy to use: Positive locking positions for circular, lengthways and spiral (apple peel) strips
- The blade automatically returns to its starting position at the end of a strip reducing the possibility of broken blades
- No special tools required to interchange cable clamps
- Blade height adjustor is almost friction free, easy to rotate for fine blade height adjustment
- Ergonomic: Well balanced design with rests for thumb, index and little fingers to ease raising the cable clamp
- Eyelet built in base of tool for attaching a lanyard
