

RA235 STEREO 35 WATT POWER AMPLIFIER

The RA235 Stereo 35 Watt Power Amplifier is a virtually indestructable single rack space amplifier intended for musicians and studio owners alike. The unit is ideal for home studio applications or wherever a clean, efficient medium wattage amp is required. The front panel acts as heat distribution, there is no fan to induce noise.

FEATURES:

- 35 Watts per channel of clean amplification
- 1/4" and RCA inputs
- Convenient spring-loaded output terminals
- Front panel heat sinking for proper venting
- Level controls and Clip indicators for each channel
