

Product Specifications

SRH750DJ Professional DJ Headphones

Overview

The SRH750DJ Headphones deliver world-class audio performance, comfort, and durability to professional DJ's. Maximized power handling optimize the headphones for use on high-output DJ mixers. Comfortable, padded ear cups swivel 90 degrees and allow easy placement on one ear when mixing. Replaceable cable and included set of replacement ear pads ensure a long-lasting lifetime of use.

Features

- Maximized power handling for DJ mixers
- Enhanced frequency response tuned to deliver high-output bass with extended highs
- Closed-back, circumaural design rests comfortably over the ears and reduces background noise
- Adjustable, collapsible headband with 90-degree swivel ear cups for comfort and easy one-ear placement
- Legendary Shure quality to withstand the rigors of everyday use
- Bayonet clip securely locks cable into ear cup
- Replaceable ear pads ensure long product life
- 3 m coiled detachable cable provides plenty of length and easy storage
- Carrying bag protects headphones when on the go or not in use
