

## **1U 17" Rackmount LCD Console - USB + PS/2**

*StarTech ID: RACKCONS1701*

The RACKCONS1701 1U 17" Rack Mount LCD Console provides a complete keyboard, video and mouse control point, integrated neatly into only 1U of rack/cabinet space - providing complete KVM control right from a server rack.

Offering a durable, compactable 1U design, when the rack console is not in use it's as simple as folding the display like a laptop computer, and sliding it back into the server rack on the sturdy mounting rails (included). The included key lock provides an added security layer, helping to reduce unauthorized access to connected computers.

Offering consolidated control from a convenient location, the KVM rack console can be connected to virtually any multiport KVM switch, for control of multiple servers/computers, providing a scalable KVM control solution that lets you determine the type of KVM switch to use based on function and budget.

Backed by a StarTech.com 2-year warranty and free lifetime technical support.

### **Applications**

- Centralized control of dozens of PCs and servers if used with optional KVM
- Managing cabinet mounted servers
- Improving the internal space efficiency of existing cabinets

## Features

- Bright Active Matrix TFT Display
- Durable design
- OSD function (On Screen Display) for LCD display
- Security features, including port locking and auto scan
- Supports both USB and PS/2 connected servers or KVMs

**Technical Specifications**

Warranty	2 Years
