

TIFFEN® Digital ENHANCING Filter Kit

Tiffen optical filters are more important than ever before when shooting with your digital camera. Preview the effect you'll get when it matters most – when you're behind the camera. Save time and frustration in post production – see the effect immediately!

Kit Contains:

Digital Ultra Clear™

The ultimate protection filter for your digital camera made from the purest quality optical glass.

Circular Polarizer

Essential outdoor filter. Produces deeper blue skies and minimizes reflections. Color saturation is significantly improved.

812® Warming Filter

Exclusive Tiffen filter adds warmth to pale, washed out flesh tones. Ideal for portraits and scenics.

10 year warranty • Made in the USA

ENHANCING® Filter

Makes reds, rust browns and oranges "POP" with minimal effect on other colors. Combine with the Circular Polarizer for dramatic effect.
