VT500 Omni Miniature Lavalier Microphone

Natural voice reproduction. Universal use.

With the VT500 Voice Technologies presents a high-quality and all-purpose electret condenser microphone (omni) for performing talent in broadcast, theatre and film.

Due to the special molding injection the microphone is rugged and shockproof. In addition Voice Technologies counts on the flexible cable which has excellent isolation from rubbing noise. Speech clarity is enhanced by a slight frequency emphasis giving excellent voice reproduction while eliminating placement constraints.

The Voice Technologies VT500 comes in the solid, waterproof VTO box with the following accessories:

- Alligator Clip
- Professional Windscreen
- Tie Tac Clip
- Dracula Mount
- Rubber Body Mount

The VT500 is alternatively available as Budget Version in a transparent plastic box with the following accessories:

- Alligator Clip
- Windscreen (Standard)
- Tie Tac Clip

Application area: Theatre - Film - Broadcasting
