

HDbridge

Rack Chassis

Get Going Guide

This guide will take you through a typical installation procedure, and will have you broadcasting your own HDTV channel in less than 10 minutes. For additional assistance or more complex installations, please refer to the ZeeVee Support page at www.zeevee.com, where you will find answers to frequently asked questions, and helpful tips from ZeeVee experts.

If you cannot find the answers you need, our technical support hot line at 877-4ZEEVEE (877-493-3833) is here to help.

Important Safety Instructions

1. Read these instructions.
2. Keep these instructions.
3. Heed all warnings.
4. Follow all instructions.
5. Do not use this apparatus near water.
6. Clean only with dry cloth.
7. Do not block any ventilation openings. Install in accordance with the manufacturer's instructions.
8. Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
9. Do not defeat the safety purpose of the polarized or grounding-type plug. A polarized plug has two blades with one wider than the other. A grounding type plug has two blades and a third grounding prong. The wide blade or the third prong is provided for your safety. If the provided plug does not fit into your outlet, consult an electrician for replacement of the obsolete outlet.
10. Protect the power cord from being walked on or pinched, particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
11. Unplug this apparatus during lightning storms or when unused for long periods of time.
12. Only use attachments/ accessories specified by the manufacturer.
13. Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.

What's in the Box

- HDbridge Rack Chassis
- Get Going Guide

Rack Chassis – HDb-RK1

Specifications

RF Output	Output Power	+34dBmV typical
Power	AC Input	+120V, 1.6A
Physical	Width	19 Inches
	Height	7 Inches (empty) 10.49 Inches (with modules installed)
	Depth	10.25 Inches
	Weight	11.5 Lb. (empty) 30.5 Lb. (with 8 modules installed)
	Temperature/Humidity	Operating +32F to +104F (0C to +40C) / 20% to 80%, non-condensing

Step 1 - Locate an available RF cable connector and DC power connector, and remove the protective plastic sleeves.

Step 2 – Orient the HDbridge module with the coax output at the top and power input at the bottom as shown. Insert the DC power plug into the module.

Step 3 – Align the bottom edge of the module just inside of the small lip on the chassis.

Step 4 – Push the back of the module down until it sits flat in the chassis.

Step 5 – Locate the thumbscrew in the upper portion of the middle bracket behind the module, just under the lip. Tighten the thumbscrew into the module until it is snug.

Step 6 – Attach the cable to the RF output connector on the module. Be sure to tighten the connection properly.

Step 7 – Connect the chassis RF output into your cable infrastructure, as needed.

Your HDbridge modules are now ready to be connected to your video source. Refer to your HDbridge Module Get Going Guide for instructions on how to configure each module.

Warranty

Limited One Year Warranty

ZeeVee warrants your Rack Chassis against defects in materials and workmanship for a period of one year from the date of purchase.

Visit www.zeevee.com for complete warranty details.

To Get Warranty Service

Warranty service will be provided by ZeeVee. If you believe you need service for your Rack Chassis, please contact ZeeVee directly by calling ZeeVee Support at (877) 493-3833. If it is determined that the product needs to be returned for service or exchange, you will receive a Return Material Authorization (“RMA”) number. Our agents will help you through the process through which you can return the product. ZeeVee is not responsible for Customer products received without an RMA number and may reject such products.

To Get Out-Of-Warranty Service

To obtain out-of-warranty service for your Rack Chassis please call ZeeVee Support at (877) 493-3833 for information on the possibility of and any costs for repair or replacement of out-of-warranty products. No agent, company, dealer, distributor, or person is authorized to change, modify, or extend the terms of these warranties in any manner.
