

IFD576

Featherweight Daylight LED Light with AB & V-Mount Plates

ONE SHEET

Overview

The IFD576's features include energy efficient 5600K LEDs, a wide 60-degree angle and a lightweight design that delivers reliable, consistent performance.

The IFD576 Daylight LED Light features 576 energy efficient LED lights that are dimmable in 1 step increments from 10-100% using the LCD touchscreen. A large rotary knob and an included remote are also offered for dimming and powering the unit on and off. The compact design with integrated yoke mount makes the IFD576 portable and easy to set up. A multi-voltage AC power supply is included and for portable power a pro battery plate for both Sony V-mount and Anton Bauer is supplied. A removable diffuser is included and the pre-mounted four leaf barn doors with intensifiers can be folded flat for transportation.
