ikan PT1000 & PT1000W Teleprompter Kits

Get the word out with iKan Teleprompters! Our PT-1000 is the most compact cost effective prompter on the market. It consists of an 8" LCD monitor, an articulating arm for on–camera attachment, a VGA laptop cable, and iKan's Prompter Pro 2.0 teleprompting software. A complete package that's so compact you won't think twice about bringing it along to all your productions.
