

Warranty

Cerevo LiveShell 2's warranty obligations for this hardware product are limited to the terms set forth herein. Cerevo, as defined below, warrants this Cerevo-branded hardware product against defects in materials and workmanship under normal use for a period of ONE YEAR from the date of retail purchase by the original end-user purchaser ("Warranty Period"). However, this warranty does not apply:

- if there is no purchase date, name or signature from the agent on the warranty, or the contents specified on the warranty are altered. The purchase date can be verified by a valid receipt.
- to damage during transportation after the purchase.
- to damage caused by accident, abuse, misuse, liquid contact, fire, earthquake or other external causes.
- to damage caused by connection with other equipment.
- to consumable parts, such as batteries.
- to damage or trouble caused by use with non-Cerevo products.
- to damage caused by operating the product outside the permitted or intended uses described by Cerevo.
- to damage caused by service (including repairs and modifications) performed by anyone who is not a representative of Cerevo.
- to damage caused by exposing the product outside of the recommended environment.
- if the product is taken apart.

If a hardware defect arises and a valid claim is received within the Warranty Period, at its option and to the extent permitted by law, Cerevo will either:

- repair the hardware defect at no charge, using new or refurbished parts that are equivalent to new in performance and reliability
- exchange the product with a product that is new or refurbished that is equivalent to new in performance and reliability and is at least functionally equivalent to the original product
- refund the purchase price of the product.

To the extent permitted by law, this warranty and the remedies set forth above are exclusive and in lieu of all other warranties, remedies and conditions, whether oral, written, statutory, express or implied.

As permitted by applicable law, Cerevo specifically disclaims any and all statutory or implied warranties, including, without limitation, warranties of merchantability and fitness for a particular purpose and warranties against hidden or latent defects.

A replacement product or part assumes the remaining warranty of the original product or ninety (90) days from the date of replacement or repair, whichever provides longer coverage for you.

When a product or part is exchanged, any replacement item becomes your property and the replaced item becomes Cerevo's property.

When a refund is given, the product for which the refund is provided must be returned to Cerevo and becomes Cerevo's property.

Cerevo does not warrant that the operation of the product will be uninterrupted or error-free.

Cerevo is not responsible for damage arising from failure to follow instructions relating to the product's use.

Important: Please do not open this hardware. Doing so voids your warranty.

Except as provided in this warranty and to the extent permitted by law, Cerevo is not responsible for direct, special, incidental or consequential damages resulting from any breach of warranty or condition, or under any other legal theory.

If you would like to request warranty service, please contact us.

Hardware Precautions

Use this product in an environment that has a temperature between 32°~ 104°F (0° ~40° C) and a humidity between 10%~90%. A low or high temperature may cause the battery to have a lower life and could temporally stop the device as well. Do not use any other electrical adapters other than the provided. Doing so could damage the product or result in a fire. Use the adapter with surge protection only in electrical outlets supplying the electric currents specified on the adapter. Do not use this product in any location that is subjected to direct sunlight, water, humidity, fire, or high temperatures. Doing so could damage the product or result in electric shock.

WARNING: KEEP THE WI-FI ADAPTER OUT OF REACH OF CHILDREN AND PETS TO AVOID ACCIDENTAL INGESTION.

FCC CAUTION Wi-Fi adapter's FCC ID: 2AFL4FX140AD FULL RIVER(HONG KONG) LTD. Model No.: FR-WL140ACU-D

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or Modifications not expressly approved by the party responsible could void the user's authority to operate this device.
