

Multimedia Computer Lectern

This multipurpose lectern is designed for presentation technology!

- Extend your voice – with style – to Audiences up to 1,950, rooms up to 19,450 square feet with this technology-friendly lectern
- The Sensitive AmpliVox Electret Condenser Gooseneck Hot Mic picks up your voice from up to 20" away
- AmpliVox speaker technology delivers clear, high-performance, lifelike sound to your audience with built-in Jensen design speakers
- Built-in **Bluetooth**[®] module (SW3230, SS3230) allows you to wirelessly stream sound from any Bluetooth-capable device
- In scratch-resistant melamine, with skirted base, radius corners and sculpted reveal lines, for beautiful styling and durability that will stand the test of time
- Plenty of storage for all your AV equipment, with a locking drawer for a laptop, a drop-leaf locking shelf for projectors and multimedia equipment, and one locking door with one adjustable inner shelf for computer or other AV equipment. Also has wire management grommets
- This lectern moves effortlessly, with the help of 4 industrial hidden casters (2 lock)
