

Freedom to roam the room, with included wireless mic

SW3020
Wireless Victoria Lectern

Victoria Lectern

A Sophisticated Classic that takes quality to a new level

- Extend your voice – with style – to Audiences up to 1,950, rooms up to 19,450 square feet with this technology-friendly lectern
- The Sensitive AmpliVox Electret Condenser Gooseneck Hot Mic picks up your voice from up to 20" away
- AmpliVox speaker technology delivers clear, high-performance, lifelike sound to your audience with built-in Jensen design speakers
- Built-in **Bluetooth**[®] module (SW3020, SS3020) allows you to wirelessly stream sound from any Bluetooth-capable device
- This classic, raised panel lectern is made of solid hardwood veneer, from the highest quality woods
- Has a drop-top reading table with storage compartment underneath. Lay flat to hold a computer, or leave slanted to hold notes.
- Plentiful storage to meet all your needs, with one large adjustable shelf
- This versatile full height modular lectern has a removable top unit for use as a non-sound tabletop lectern
- This lectern moves effortlessly, with the help of 4 industrial hidden casters (2 lock)

Dual Presenter Option

Only from AmpliVox

Enjoy Dual Presenter Option with SW3020: One presenter speaks from wired OR wireless mic, while 2nd wireless mic is available as an option
