## Shipping

Ships ready to assemble, in one carton

### Perforated Panels

The Voyager Series features perforated side panels for added style.

### Locking Casters

Four 4" casters, each with locking brake, are secured to the base.

### Built-to-last

Trucks come with end panels and shelves constructed from 20-gauge steel.

### Durable

Arc welded frame construction is built for constant use and your truck will still be in service long after the 12-year warranty runs out.

### Safe

Voyager and Duro Series book trucks have achieved GREENGUARD Gold Certification.

### Shelves

Height clearance between shelves measures 13".

### Options

Choice between flat, slanted or a combo of slanted and flat shelves. Shelves are arc welded upright to frames and are 12" deep, with a 5" backstop.

### Standard Color

Putty Beige | PB
