Certifications

Flat Panel Carts have achieved GREENGUARD Gold Certification

Secure

All doors lock to deter theft and the lower cabinet is perforated to dissipate heat and protect electronics for overheating.

Casters

Models available with a pull-out shelf that allows easy use with a laptop or other mobile devices.

Shelves

The upper section includes two 14" D x 20.75" steel pull-out notebook shelves that extend off the left and right sides below the top shelf.

Cabinet

Cabinet interior is 23" x 30", cabinet doors are 21.75 x 25". A 19" rack mount assembly is installed inside the cabinet with 16-unit spacing for rack mount equipment. Two 19" rack compatible accessory shelves are included.

Casters

4" hard rubber stem casters are load rated to 115 lbs each, and include two locking brakes.

Built for Safety

The TC15 series has achieved GREENGUARD Gold Certification.

All-Steel Construction

Cart is constructed from 18-gauge prime steel, which contains 25 to 35 percent post-consumer recycled content and is finished with powder coated paint.

Standard Color

Black Pumice
