

SUGGESTED SPECIFICATIONS: _	projection screen(s),
(H) x(W), w	all or ceiling mounting type. To have black
masking borders standard on flam	e retardant and mildew resistant fiberglas
fabric, mounted on a ball bearing r	igid steel spring roller. Fabric to be
permanently attached to roller. To	have powder coated white 21-gauge steel
case with flat back design. To have	heavy-duty end caps concealing roller

ends with steel inner plates to support roller and provide added case strength. End caps shall form sturdy brackets for wall or ceiling installations. Bottom of screen shall be formed into pocket holding tubular metal slat. A steel pull bail shall be attached to the slat. The ends of the slat shall be protected by heavy duty plastic caps. Bumper stops shall be built into case to prevent slat wedging inside case. A 6' pull cord with plastic knob is included.
