

MCC10

30 Bay Tablet & Netbook Charging Cart

Storage for up to 30 tablets or netbooks

Secured by keyed locking bolts on top and bottom of cart.

Four 4" swiveling casters
(2 with brake locks).

The MCC10 is an affordable solution for charging, securing and transporting up to 30 tablets or netbooks. Rubber coated dividers and padded shelves provide protection to your devices. Plenty of ventilation allows air to circulate freely through the unit. The MCC10 includes a top inner shelf, two 16-outlet vertical electrical outlets and 4" wheels with locking brakes. Front and back doors lock with a traditional key system for secure storage and peace of mind knowing your investment is protected.

Features

- Accommodates charging of 30 devices
- Secure storage with locking front and back doors
- Rugged steel construction
- Rubber coated dividers and padded shelves for protection
- Top inner shelf included
