

G-Technology®

ev Series Reader

ATOMOS **MASTERCADDY** EDITION

Optimize and simplify your ATOMOS® video workflows

Atomos creates easy-to-use solutions that merge recording, monitoring, and playback into a single touchscreen device that enables faster, higher quality, and more affordable video production. Designed to optimize and simplify your Atomos video workflow, the ev Series Reader Atomos Master Caddy® Edition leverages high-performance connectivity for fast Atomos content transfers and backup.

It is the latest accessory in the Evolution Series of high performance, flexible storage solutions¹. Transfer content quickly from your Atomos recorder into any ev Series-compatible or other G-Technology® storage solution. When shooting on-the-go, use it as a stand-alone device to review, log, and back-up footage.
