

Compact & Travel-Friendly

UC-PD1

IDX introduces a new solution for charging batteries such as the new DUO-CP Series and Zen Series. The **UC-PD1** is a small, inexpensive device which can provide power via USB-C PD terminals. This **65 Watt (Max)** charger can charge a DUO-C98P or ZEN-C98G in about 130 minutes. The UC-PD1 is also a convenient location/ travel charger and power supply for other devices, such as tablets, smartphones, cameras and other AV/ IT gear equipped with a USB-C PD terminal.

Product Features

- Pocket size allows easy carrying and charging operation for location and travel
- Fast charging with PD 65W, charging time with DUO-C98P is about 130 minutes
- Output voltage switched automatically to match appropriate voltage
- AC plug can be folded and stored
- Built-in short-circuit, overcurrent, and overvoltage protection

Specifications

Input Voltage: AC100V ~ 240V 50/60Hz Automatic

Output Voltage: DC5V/3A, DC9V/3A, DC12V3A, DC15V/3A, DC20V/3A (max. 65W)

DC Connector: USB Type-C

Operating Temperature: 32~104°F

Protection Circuit: Over-voltage, Over-current, Short circuit

Dimensions: 2.67(w) x 2.67(H) x 1.20(D) inches

Cable Length: 47.24 inches

Weight: 0.48 lbs
