

# ES35

## 17" Double Slider (*E-Image*)

ONE SHEET

### Overview

The E-Image ES35 slider uses a unique tracking mechanism that provides 17.3" of sliding range in a unit that is only 13.8" long. Its 16 layer carbon fiber frame and CNC machined components form the core of a ruggedly sturdy slider that is both durable yet smooth in operation. This slider is perfect for run-and-gun style shooters who require maximum quality video with minimal gear. The shuttle of the ES35 will accept both 1/4"-20 and 3/8"-16 threading and will operate without issue with payloads up to 22 lbs.

ES35 | 17" Double Slider (*E-Image*) | UPC Code: 847983019571

### Special Features

- 17.3" of travel in a 13.8" length slider
- Can be used on any flat surface or mounted to a tripod
- Perfect for shooters who require maximum use with minimal size & weight
- Camera mounting plate compatible with cameras requiring either 1/4"-20 or 3/8"-16 mounting
