

GH10L

100mm Pro Fluid Video Head 22 lbs Max (E-Image)

ONE SHEET

Overview

The GH10L Fluid Head is designed and built for professional videographers and cinematographers who want real quality at an affordable price. This professional fluid tripod head delivers field-tested reliability, solid construction, and many features required for professional performance.

The GH10L features a 100 mm ball head and a multi-adjustment counterbalance, providing a great range of tilt and smooth camera control. The counterbalance, which provides seven increasing levels of counterbalance, supports payloads of up to 22 lbs. When combined with the three-level variable drag, the GH10L provides fluid control, suited to your shooting needs. Additionally, the GH10L comes with an illuminated bubble level and a ¼"-20 threaded mounting point for attaching a monitor arm or other accessory.

GH10L | 100mm Pro Fluid Video Head 22 lbs Max (E-Image) | UPC Code: 847983010790
