

2big Dock

THUNDERBOLT™ 3

PROFESSIONAL DUAL-DISK
HARDWARE RAID

Data Sheet

More Than Storage

- Shocking speeds up to 440MB/s
- Dual Thunderbolt 3 ports for 4K workflows
- Innovative design with RAID for reliability
- USB 3.0 for PC and Mac® compatibility

design by neil poulton

Product Overview

The LaCie 2big Dock delivers everything you expect from our products—high capacity, lighting-fast speeds, and enterprise-class drives—but it's more than that. Port by port, slot by slot, we designed a powerful docking station that streamlines your creative space. Powered by a single cable, the LaCie 2big Dock simplifies and centralizes your desktop by directly connecting to your laptop and other devices.

Product Features

- SD/CompactFlash Card Slots: Directly ingest files from memory cards onto LaCie 2big Dock and quickly import photos into Adobe® Lightroom® or Premiere Pro®.
- USB 3.0 Hub: Charge your phone or connect a shuttle drive or digital camera to offload footage or files.
- Dual Thunderbolt 3 Ports: Power your laptop while simultaneously daisy chaining up to 5 additional LaCie 2big drives or other storage solutions.
- DisplayPort: Connect to high-resolution 720p to 1080p or 4K displays.
- USB 3.1 Port: Universal compatibility with USB-C and USB 3.0 computers via the included adapter cable.

Delivering Robust Performance

With enough capacity for a massive raw-file library and Thunderbolt 3 transfer speeds, the LaCie 2big Dock is built to keep you creating.
