

## UTILITY CARTS

## MECHANIC CARTS

### MC-3

The Luxor Mechanics Three-Shelf Cart will prevent clutter and consolidate your tools. Each shelf features two dividers for easily separating items while two cup-holders on each shelf can hold a drink or bottles for cleaning or maintenance. A magnetic strip along the outside of the top shelf provides quick access to metal tools and at the center of each shelf is a cable-wrap for easy management of extension cords and cables. With a home for nearly every common tool, this mobile mechanics utility cart is a smart addition to any garage or service center.

#### Features:

- Three shelves, each with specialized dividers, cup holders and cord wrap
- Magnetic tool holder running along outside of top shelf
- Aluminum legs with polyamide shelves
- Rolling cart with 3" casters, two with locking brakes
- Weight Capacity: 44 lbs. per shelf (evenly distributed)

#### Dimensions:

- Overall: 75"W x 18"D x 32"H
- Inside Trays: 38"L x 10.86"W x 2.75"D
- Divider Spacing: 13" from side of tray, 8.5" apart
- Shelf Clearance: 11" between shelves
