

Superlux PRA-D5  
Five Pack

The Superlux PRA-D5 features 5 PRA-D1 dynamic microphones with 5 stand adaptors packaged in their own hard shell carrying case for easy handling and storage. Each PRA-D1 super cardioid dynamic microphone is specifically designed for use on the professional stage.

It features a wide dynamic range, Nd capsules and dual dome diaphragms for increased sensitivity and provides a typical proximity effect with a very smooth natural output. The super cardioid capsule is enclosed in a hardened steel foam filtered mesh grill. The PRA-D1 has excellent handling noise characteristics and its all metal construction features a durable shock resistant zinc alloy die-cast housing.

These mics are rugged performers and come backed with a 2 year warranty. The PRA-D5 is an economical solution and represents a superb value for a variety of sound reinforcement applications.

**SPECIFICATIONS**

Element	Dynamic Capsule
Polar Pattern	Super Cardioid
Frequency response	50—16,000 Hz
Sensitivity	-54 dBV/pa (2 mV/Pa)
Impedance	200 Ohms
Max SPL	140dB (THD ≤ 1% 1KHz)
Connector	Integral 3 pin Male XLR
Dimensions	Φ53x180 mm
Weight	13.05 oz.
