

Computer Power Cord - NEMA 5-15P to 2x C13 - 10 ft.

Product ID: PXT101Y10

This C13 Y-cable lets you plug multiple devices into a single power outlet, to maximize the space on your power strip, surge protector or wall outlet. It's perfect for setting up dual monitor arms.

The cable length from the Y-split is 30 inches on each side. This gives you an extended reach for connecting to two monitors securely, without placing a strain on the cable.

You can also use the power-splitter cable to connect a monitor and computer, or any two devices that have a C13 power connection, to the same outlet.

The PXT101Y10 is built to exact specifications and is fully tested to ensure maximum performance. Plus, the cable is backed by a StarTech.com lifetime warranty for guaranteed reliability.

Certifications, Reports and Compatibility

Applications

- Power two devices from a single power outlet

Features

- Connect to two monitors securely, without placing strain on the cable
- Maximize space on your power strip, surge protector or wall outlet
- Guaranteed reliability
