CUSTOM MICROPHONE FLAG ORDERING INFORMATION

Thank you very much for your inquiry about customized Markerflags. Pictured below is a sampling of some of the more typically-ordered sizes and shapes, but you can select any size and shape you wish, even if not pictured here.

Except where indicated, your Markerflags can be ordered with foam or clip inserts. If you order clip inserts, however, we will need to know the make and model number of your microphone. We like to recommend the foam inserts because they are more universally applicable and seem to be gentler to the instrument.

BEFORE PLACING YOUR ORDER, PLEASE SUBMIT YOUR SPECIFICATIONS AND ARTWORK SO THAT WE MAY QUOTE THE JOB FOR YOU.

- A) 2" cube shape w/foam or clip
- B) 2-1/4" diag. meas. TV screen shape w/clip
