

# ANTON<sup>®</sup> BAUER

## Recycle & Save

### What's the Story

We are offering special discounts on Anton Bauer Batteries and Chargers for customers who recycle their old batteries and chargers. Register at [Call2Recycle.org](http://Call2Recycle.org) or send us pictures recycling your batteries at retail locations like Home Depot, Lowe's or Staples. It is up to you how you prefer to recycle – we are happy to accept either method. If you choose to recycle locally, we ask for either a receipt from C2R or a photo of the batteries being recycled at a store within 7 days of receipt of your new batteries.

### What Batteries are Eligible for Me to Save

- Any Gold Mount or V Mount style battery, does not have to be Anton/Bauer.
